

**Building Seismic Safety Council (BSSC)
Seismic Design Procedures Reassessment Group (SDPRG – a.k.a., Project ‘07)
Workshop**

September 10, 2008 – 9am to 5pm
Embassy Suites San Francisco Airport – Burlingame, California

Sponsors:
Federal Emergency Management Agency (FEMA)
United States Geological Survey (USGS)

Draft Agenda

- 9:00-9:15 **Opening Remarks** (*David Bonneville*)
- 9:15-9:45 **Status of 2009 NEHRP Provisions Update** (*Ron Hamburger*)
- 9:45-10:15 **Introduction to SDPRG and Changes Proposed for 2009 NEHRP Provisions**
Charlie Kircher, SDPRG Chair
- 10:15-10:30 Break
- 10:30-11:15 **2008 Update of USGS National Seismic Hazard Maps**
Mark Petersen, USGS National Seismic Hazard Mapping Project Chief
- 11:15-12:00 **Risk-Targeted Ground Motions**
Nicolas Luco, SDPRG Task Leader
- 12:00-1:30 Lunch and **Status of Other BSSC Activities**
- 1:30-2:00 **Maximum Direction Ground Motions**
Andrew Whittaker, SDPRG Task Leader
- 2:00-2:15 **84th-Percentile Deterministic Ground Motions**
Andrew Whittaker, SDPRG Task Leader
- 2:15-2:30 Break
- 2:30-3:15 **Summary of SDPRG Proposal for Changes for 2009 NEHRP Provisions**
Charlie Kircher, SDPRG Chair
- 3:15-4:00 **Demonstration of Updated USGS Web Tool for Seismic Design Values**
Nicolas Luco, USGS Seismic Design Maps Task Leader
- 4:00-4:45 **Additional Q&A and/or Moderated Panel Discussion**
E.V. Leyendecker, USGS Emeritus Seismic Design Maps Task Leader
- 4:45-5:00 **Closing Remarks** (*David Bonneville*)
